ABKARI 1791

Order.

Mangalore Warehouse - Destruction by fire - Supply of --- arrack to depots and shops.

Consequent on the destruction by fire of the arrack ---- warehouse at Mangalore on the night of the 27th instant the --- Manager of Messrs. Parry & Co., Mangalore, proposes to hold the warehouse in the new building erected for the purpose and requests issue of a temporary license for the same. Subject to the ---- approval of the Board, permission is granted to conduct the ---- warehouse business in the new building. As licenses are to be granted by the Assistant Commissioner of Distillery and as a --- permanent license had already been issued for the warehouse there seems to be no necessity for a temporary license for the present. The Manager will obtain a duplicate license on application to the Assistant Commissioner of Distillery.

2. The Manager proposes to get 35 U.P. arrack from the Udipi Warehouse and Malabar depots for supply to depots attached to the Mangalore Warehouse and requests that he may be excused from --- maintaining minimum stocks in the Mangalore and Udipi Warehouses and the depots attached to the Mangalore Warehouse. His requests are granted He should, however, make special arrangements to -- get supply immediately for both the warehouses.

3. The Manager is also permitted to use wooden casks in the reduction of over proof liquor to issue strength at the Mangalore Warehouse until vats are installed subject to the approval of the Distillery Inspector.

4. The shop-keepers situated within a radius of five miles from the Mangalore and Udipi Warehouses will be directed not to apply for any quantity more than the minimum of 25 gallons at a

time until stock in the warehouses is sufficiently replenished.
